

😊 Welcome to the Preschool room 😊

I am so excited to have your child in my class this year. Here are some of the ins and outs of the preschool room. If you ever have any questions please do not hesitate to ask.

In the mornings, please be sure to sign your child/children in on the blue sign in sheet that is located across from the bathrooms. You can place your child's lunch in the refrigerator right next to the sign in sheet if they are staying for lunch. On days they are in the preschool room, please place book bags, coats, and anything else they need for the day in the preschool room locker. At the time of drop off, please let us know of any information that would pertain to the day (i.e. if someone new is picking up, an early pick up, if there is medicine that he/she needs, ect.)

We do have a schedule that we try and abide by throughout the day. At times there are events that will throw our schedule off. We do have specials that are scheduled on Mondays.

On Mondays, Mrs. Myers will be doing gross motor with the kids, Mrs. Faulkner will teach music, and Mrs. Huss will be teaching Science. Our schedule will change due to fire drills, parties, special visitors, tornado drills, picture days,

field trips, and more. If you ever have any questions about our schedule please let me know.

We will have snack time in the morning and afternoon. Snacks are parents provided throughout the year. During your assigned week, once a month, please bring in your snack with your child's last name on it. Weeks are assigned alphabetically by the beginning of the family's last name. For example: If your last name begins with A-F you will bring in snack the first week of the month.

Lunches should be in a clear plastic bag with their name on it. Every container should also have their name on it. If you send a cup with your child please make sure it can fit in his/her plastic bag. Water and cups are provided at snack and lunch times as well as throughout the day when asked.

After lunch we will take time to go outside or upstairs to the gym, to prevent waking up the children napping in the climber room. Please make sure that your child comes dressed appropriately for the weather. We will apply sunscreen when needed in the afternoon. If you would like to leave sunscreen at school please let us know and please give it to me, it should not be left where other children can have access to it.

You can find information on all of the staff right outside Ms. Rachel's office. At the beginning of the hall, inside of the double doors, you can find a wish list board for donations, a prayer box, and a community information board. Also a networking board, please feel free to leave your business card for networking purposes. There are also resources on the bookshelf near Ms. Rachel's office feel free to take copies of any items located on it. I am so excited to work with your child this year and get to know you.

Blessings,
Meghan Faulkner
