

## ~WELCOME TO THE CRAWLER'S ROOM~

Please sign your child/children in on the purple sign in sheet near the outside of the door to the classroom before entering the Crawler's classroom. Now is a good time to share any information with the classroom teachers that may affect your child's day. Such information may include- someone new is picking the child up that day, child is getting picked up early, child is not feeling well, child is teething, child didn't sleep well, and/or child will need medicine. Please let us know of any changes in your child's schedule. If there is a change, it is helpful if you write it down for us.

We provide a tub for each child. In this tub you may put anything your child needs during the course of his or her stay with us. Items to consider may include – diapers, extra clothes, diaper rash cream, sunscreen, extra bottles, extra pacifier, extra sippy cup, and items for comforting. If you are using cloth diapers please provide a wet/dry bag to be sent home everyday. PLEASE label everything!!

Food items should be brought in a sealable plastic bag with your child's name written on it (such as a ziploc gallon size bag or clear plastic container). Please do not use insulated lunch boxes or bags. They should be put in the classroom refrigerator upon entering the classroom in the morning. Please label all items – spoons, plastic containers and cups. It helps eliminate some confusion during lunch and snack times. It also helps assure that the items will be returned to you. We do have a microwave to heat up food items. We have a bottle warmer for bottles. We have a freezer for frozen breast milk – please label with – name, amount and date on each bag. Bottles prepared at home should be labeled with the child's name, date and time made. The same goes for frozen baby food. You may also bring in food items to leave at school such as puffs, cereal, formula and jar food – also please label with the child's name.

If someone other than you will pick up your child, we will need a written note or email giving us permission to send your child home with them. Even if it is a parent of the child, if we have not met them, we will not send the child home with them without a written note and a picture ID.

If your child should need to take medicine during the day, you will need to fill out a medical form allowing us administer the medicine. We will also need a form filled out for diaper rash cream or any sort of lotion or cream for skin.

Once your child is nearing their first birthday, we will work with you to help them transition to the Walker Room class schedule. It is helpful if at this time they are using a cup and eating finger foods.

- ❖ 9:45 morning snack
- ❖ 12:00 lunch
- ❖ 1:00 nap
- ❖ 3:30 afternoon snack

Thank you,  
Rachel Stults-Director
